Practices: Responsive Design, Accessibility, SEO Basics, CI/CD
Soft Skills: Problem-Solving, Collaboration, Agile, Time Management

WORK EXPERIENCE

Frontend Developer / Computer Technician – Abelov International LTD (2020 – Present)
- Developed and maintained company websites with responsive UI and improved user engagement.
- Provided technical support and computer maintenance, ensuring smooth IT operations.
- Collaborated with teams to design and implement web solutions tailored to business needs.

PROJECTS

- **Conference Ticket Generator:** Built with React: integrated form validation, PDF generation, and email confirmations.
- **Customer Relationship Management System (CRMS):** Designed dashboard with email notifications and Firebase backend.
- **SmartAID Dashboard:** Implemented sidebar routing and ensured UI consistency with plain <Link> navigation.
- **Community E-commerce Platform:** Developed a scalable web app concept for connecting local vendors with buyers.

EDUCATION

B.Sc. Computer Science – Modibbo Adama University, Yola (Oct 2021 – Aug 2025)
Winners Comprehensive High School, Jalingo – Graduated 2020

CERTIFICATIONS

- HTML, CSS, JavaScript (Beginner & Intermediate) – SoloLearn
- HTML & SQL – Mimo
- 4 Certificates from Grasshopper by Google (HTML, CSS, JavaScript, Coding Fundamentals)

HIGHLIGHTS

- Participant – HNG Internship (Frontend Development Track)
- Awarded recognition as a strong contributor during hackathons and team projects.
- Strong focus on portfolio development with the goal of becoming a Full-Stack Developer.
